## • CHAIRMAN'S MESSAGE 2010 •

Welcome all and thank you for supporting Burton's longest established panto group. It was my pleasure at the AGM to take the chair as we take BASE into our 39th and 40th year.

As always a lot of work has been put into this year's production of Dick Whittington. Each and every member of BASE deserves credit for all of their constant effort and I would like to thank all of them for their continued loyalty.

I would also like to add a "BIG" thank you to my hardworking committee; lots of hours go into putting on this panto and without them it just would not happen.

Please look out for our next production to celebrate our 40th Anniversary which will be Cinderella. Visit our website in early March for more details or reserve your tickets today and pay by 30th September 2010. Forms available today in the foyer.

So sit back relax and don't forget to shout as we transport you to the magical land of song, dance and humour, not forgetting a healthy sprinkling of romance, a perfect ingredient for a fun panto night out.

Remember "It's behind you".

*Martin Goodall*

## • PRODUCER'S MESSAGE 2010 •

Thank you for coming to see our 2010 production of "Dick Whittington" and supporting traditional panto in the town.

It is now my third year as producer and I am still enjoying working with such a good company. I would like to thank our choreographers Amy, Gemma and Jodie who once again have come up with routines I am sure you are going to enjoy. If you are interested in becoming a dancer for 2011 then why not give me a call for an informal chat or contact me via e-mail: [info@base-panto.com](mailto:info@base-panto.com)

We look forward to you joining us again next year when it will be our 40th year production of "Cinderella" which is a major milestone in any society.

If you are interested in joining BASE in any role then just pick up the phone or use the e-mail address above. Enjoy Dick Whittington.

# The Donna Louise Children's Hospice Trust

Our chosen charity this year is self explanatory, please dig deep in your pockets and support this very worthy cause with our Annual Raffle and also for every programme sold we will donate an extra 50p to the charity.

The Donna Louise Children's Hospice provides respite and end of life care for children from all over Staffordshire and South Cheshire that are between the ages of 0 and 19 years and have a life-threatening illness. At our hospice, we provide a safe, caring environment where children and families can truly feel at home. Our Community Nursing team provides a bridge from the home to the hospice and is often the family's first point of contact with the hospice.

Last year the charity closed its doors 2 nights a week in a bid to cut costs at a time when donations are dropping as a result of the economic slowdown. In an attempt to counteract this downturn, we are calling on people from across Staffordshire and South Cheshire to help them raise much needed funds to avoid further cutbacks. To make every moment count we need every penny we can get.
