# Chairman's Message 2012

Welcome to you all and a big thank you for supporting live theatre with this the longest established pantomime group in Burton-on-Trent. After a very successful 2011 pantomime, we are hoping for an even better one this year and our chosen charity this year - Alzheimer's Society.

I would like to add a big 'thank you' to all the cast, crew front of house staff and especially my hardworking committee, for all their hours of planning and organising that goes into putting on a wonderful production like this. Without their energy and enthusiasm the show would not go on!

It gives me great pleasure to announce that next year's pantomime will be Aladdin. Visit our website [www.base-panto.com](http://www.base-panto.com) for further details and if you reserve tickets for Aladdin and pay by 31st October 2012 you will get them at this year's price.

One final note, if you have the urge to perform on stage, don a frilly frock, slap your thigh or would like to help backstage, contact us at [www.base-panto.com](http://www.base-panto.com). We're a friendly bunch, we don't bite!

So sit back and relax as we take you on an unforgettable magical trip to Franglais de la Mer. We hope your time with us will be filled with plenty of songs, dances and laughter, which is the perfect mixture for a good pantomime.

Remember, 'It's behind you!!'

**Martin Goodall**  
Chairman

## In Aid of Alzheimer's Society

*Recently we found out that two of our long-serving and brilliant members have been affected by dementia - and that's why it is our chosen charity for Beauty and the Beast. Please remember to purchase your raffle tickets in the bar area - all proceeds from the raffle are donated to this very worthwhile charity.*

### Further information

Alzheimer's Society is the leading support and research charity for people with dementia, their families and carers.

There are 750,000 people with dementia in the UK with numbers set to rise to one million by 2021.

Alzheimer's Society is a membership organisation, which works to improve the quality of life of people affected by dementia in England, Wales and Northern Ireland. Many of our 25,000 members have personal experience of dementia, as carers, health professionals or people with dementia themselves, and their experiences help to inform our work.

The Society's fight for a better world for people with all types of dementia takes a wide range of forms. Through our network of local services, we touch the lives of over 30,000 people every week, providing practical services and support for people with dementia and their carers. Every year, more than a million people make use of the information we provide. Through campaigning and lobbying we strive to influence government policies and raise awareness of the challenges faced by people with dementia and the people who care for them. And through our research programme we work to improve the knowledge we have about dementia and its treatment - and pursuing the ultimate goal of finding a cure.

Within Burton we hold a monthly support group for carers and former carers of people with dementia. The group is held on the second Thursday of every month at The Riverside Hotel, Branston between the hours of 10.30am and 12.30pm. The Burton upon Trent area also benefits from our dementia adviser service which is an outreach service to people with dementia and their carers.

If you would like any further information about support and services in your local area please contact the West Midlands Area Office on **01543 255 955** or write to Alzheimer's Society, West Midlands Area Office, 8-9 Windsor Court, Trent Valley Road, Lichfield, WS13 6EU. You can also find further information on our website, [www.alzheimers.org.uk](http://www.alzheimers.org.uk).

## Producer's Message 2012

It is my pleasure to welcome you to our 2012 production of "Beauty & the Beast". This is the pantomime version and I hope you enjoy the production as much as I have, working with this very talented company. This pantomime has been written by a local author, Alan P Frayn, who lives in Staffordshire.

There are too many people to mention individually who have supported me with this production but as well as the company on stage I am very fortunate to have a dedicated production team who bring their ideas to the table, and always in the background to support this is our hard working committee.

After four years I have decided to pass the baton of producer on and hopefully rejoin the company on stage (if I get through auditions), and I would like to wish Chris Knight good luck with the 2013 production of "Aladdin".

If you know anybody who is interested in joining BASE either on stage or backstage please ask them to e-mail [join@base-panto.com](mailto:join@base-panto.com) for more information.

All I can ask you to do now is sit back and enjoy "Beauty & the Beast"

# Charity Presentation to Burton Hospital League of Friends

Throughout our 40th celebration production of "Cinderella" in 2011 our chosen charity was the Coronary Care Unit at Queen's Hospital here in Burton Upon Trent. We as a society agreed to support our local hospital but wanted to purchase something that would be useful and benefit patients and their families when they are faced with a stressful time being in the CCU. The Burton Hospital League of Friends were able to facilitate this on our behalf and as you can see - our Chairman Martin Goodall recently presented a cheque for £725.

This enabled the CCU to purchase two state of the art televisions which have been mounted so they can have a wider usage within the unit. As treasurer of the society I would like to thank you all for supporting our raffle in 2011 and ask that even in these difficult economic times you are able to find some change to purchase raffle tickets for an equally good cause - Alzheimer's Society. (Our 2012 charity).

Alzheimer's Society was chosen by the group because sadly two of our past members who are married to each other have been diagnosed with this dreadful condition. *Chris Knight, Hon Treasurer*
