Message from the Chair

Hello, and a very warm welcome to the Brewhouse for our production of Beauty and the Beast. Each year we nominate a charity to donate to and this year our chosen charity is MIND. I'm sure you will help us raise lots of money for this brilliant cause.

A lot of time and effort has gone into this year's show and each and every member of this society deserves credit for their constant energy and enthusiasm. As always, I would like to say a big thank you to my hard working committee. Without their hard work the show would never happen.

We'd also like to pay tribute in this programme to two friends of BASE. One of our front of house volunteers, Chris Shelton, passed away recently. Our condolences go to his family and friends. We also recently lost Willian Hughes - a long-time supporter and patron of BASE.

I'm really happy to announce for our 50th production next year we are going to perform Aladdin. Visit our website for further details. So sit back, relax and enjoy the magical characters and here's hoping it all ends happily ever after.

A word from the Directors

We are so excited to bring you this tale as old as Pantomime, Beauty and the Beast. We hope you enjoy our version of this well-loved story with its blend of comedy, drama, music and dance. We are extremely thankful to the Committee and friends of BASE for all their hard work, efforts and tremendous amount of support throughout the production stage in helping to bring the story from page to stage.

Our sincere thanks go out to all the members of BASE, both cast and crew for their commitment to the show. We also extend the greatest of thanks to the Brewhouse Arts Centre for their continued support and would urge the entire community to support their future as a fundamental part of the Burton arts scene.

Finally, a big thank you to you, our audience for your continued support each year. So sit back and enjoy your journey to France. Get ready to shout, clap and boo and as certain as the sun, you'll be singing along with songs as old as rhyme!

I personally would like to wish Lynda Freeman and Martin Goodall the very best for taking on directing next year's production - Aladdin.

Burton and District Mind has been established since 1991 and has provided a variety of mental health support services to the residents of East Staffordshire. We work closely with GPs, support workers, statutory and voluntary agencies and local housing providers.

We want everyone in our community to experience better mental health. To help achieve this we provide advice and support to empower everyone to experience better mental health.

Burton Mind affiliates to Mind nationally but is not funded by Mind, we fundraise and apply for contracts of work to provide mental health support services to our local community.

Our services cover 6 days per week and some evenings and last year we provided support for more than 3,000 local people from 16 to 89 years of age.

Presently we provide

- One to one counselling for adults
- Face2face counselling to young people
- Building Better Opportunities – support to remove mental health barriers to training and employment
- Trent and Dove Floating mental health support
- Mental health advice and guidance
- Mindfulness/relaxation classes
- Holistic therapy for mental health
- Creative therapy groups (quarterly)
- Mental health awareness training

Remembering our friend... **William Hughes**

It's with great sadness that we've lost one of our very special friends of BASE.

William had been part of the group for over 30 years playing the drums accompanying Joan, our

musical director. He was a massive part of our BASE family and always there to help with the set up of our shows. He was also heavily involved in our social events, especially our annual cricket match.

Our condolences to William's family.

RIP William Hughes
